

Inviso – Terms and Conditions

This Terms of Service Agreement governs your use of this website. Before using our services, please ensure that you have thoroughly read through the terms and conditions.

Our Service

All the data filled up at the time of using our services are end-to-end encrypted and not used for any kind of distribution purpose or use by any individual or organization in a jurisdiction or nation where such dissemination or utilization would violate legislation or regulation or would obligate us to comply with any registration requirements in that jurisdiction or nation.

Intellectual Property Rights

All intellectual property rights of our Services, encompassing source code, databases, functionality, software, website designs, audio, images, texts, videos, and graphics (collectively referred to as the 'Content'), trademarks, and logos, are either owned by us or licensed to us.

User Registration

Registration may be mandatory to utilize the services. You agree to maintain the confidentiality of your password and accept full responsibility for all usage of your account and password. We retain the prerogative to remove, reclaim, or modify a username that you choose if we, at our absolute discretion, deem it to be inappropriate, pornographic, or otherwise objectionable.

Subscriptions

It is a one-time use purchase service. The user will need to renew their subscription each time they wish to access our Services. We may also make changes to the subscription fees from time to time to keep our services pertaining to the law and the needs of the server. The purchases are non-refundable and final after payment and no query regarding refunds shall be entertained.

Prohibited Activities

We do not allow the usage of our services for any other purpose aside from the ones specified in the document. The access of these services shall only be available to the party authorizing themselves on the website and shall be held accountable for any misuse of the services that may lead to illegal breaching of data. The services shall be approved and given by us and can only be accessed after the request has been approved. Any unauthorized access can lead to severe punishment by the law.

Contribution License

The license provided by us shall be applicable to the images developed by our website and can only be used by the entity whose verification has been completely processed under that individual/company's name. The data shall be stored at a secured server to prevent unauthorized usage of these services.

Privacy Policy

We aim to keep your data secure, and privacy maintained throughout the access of our services. By accepting the terms and conditions, you agree to follow and be bound to the privacy policy posted on our website and any breach of any phrase on the policy can be held legally against you. The services are under the law hosted in India so for the time being we do not provide international access for our website to maintain user integrity and security due to the differences in the applicable laws of the countries.
